The Customer

The “Adult Only” Hotel Cavo Olympo is located in a private cove in Plaka of Litochoro, right between the deep blue waters of the Aegean Sea and the foot of the majestic Mt. Olympus, home of the Olympian Gods.

The Challenge

Edision & TELEVES were selected to provide solutions & services for Cavo Olympo Hotel in Plaka of Litochoro. This project has to do with the TV distribution of satellite, terrestrial and digital signage signals to the hotel's points.

The Solution

EDISION-TELEVES Professional Equipment was installed by an authorized EDISION partner to guarantee the distribution of the TV signal and dynamic advertising to the hotel's TVs.

Return on Investment

We partnered with EDISION-TELEVES and upgraded our system in order to provide our guests-according to their needs and expectations-with state-of-the-art multimedia applications and to be prepared for the ever more demanding technological future.
