## The Challenge

EDISION & TELEVES products were selected to provide solutions & services for the high-end demands of Oasis Hotel. This project has to do with the satellite and terrestrial TV signal distribution to the hotel's TV points with a professional TV system that will give the advantage and solve any possible problems with TV-signal.

## The Solution

EDISION and TELEVES Professional Equipment have been installed by an authorized EDISION technical partner in order to guarantee the top-level distribution to the hotel's TV points.

## Return on Investment

At the place of refurbishment we need to have a new completely advanced system for tv signal distribution in our Hotel. We are completely satisfied from the 100% professional system of TELEVES that we trusted. No need for further maintenance was one more of the advantages that we get.
