The Challenge

EDISION company, TELEVES distributor for Greece and Cyprus, was selected to provide solutions & services for Kappa Resort. This project involved TV distribution systems of satellite and terrestrial signals to the hotel's TV points.

The Solution

TELEVES Equipment, provided by EDISION, were installed by authorized EDISION technical partner, in order to guarantee the technically appropriate TV signal distribution to the hotel's TV points.

Return on Investment

“Our hotel had the need for the best quality of TV signal and image, with a complete selection of satellite and terrestrial TV channels. Our guests enjoy TV viewing as part of enjoying their stay, so our aim was to serve them the best way possible. EDISION, provider of TELEVES products, in cooperation with authorized technical expert contributed extensively in accomplishing the best overall result.
