

TYPE F COMPRESSION CONNECTORS

for operator coaxial networks

REF. 4104, 4105, 4106 and 410801

Universal compression connectors that fit a wide range of coaxial cables, notwithstanding small differences they may have as the thickness of the outer sheath or the insulation diameter and which depend on the tolerance of the materials used in the cable manufacturing process.

- Connectors for operator coaxial cable
- One-piece connector
- Suitable for security installations
- Easy cable insertion
- Optimized for digital signals
- Made of niquel plated brass
- To be installed by means of a compression tool like our Ref. 2163.

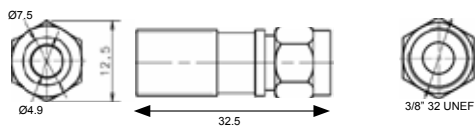

REF	DESCRIPTION	EAN 13
4104	CONNECTOR FOR CABLE RG6	8424450041048
4105	CONNECTOR FOR CABLE RG59	8424450041055
4106	CONNECTOR FOR CABLE RG11	8424450041062
410801	CONNECTOR FOR CABLE T200	8424450154557
2163	COMPRESSION TOOL	8424450021637
